

AKTOS CLIENT INFORMATION SYSTEM UPDATE

The new link <https://ukcdar.uky.edu/AKTOS> requires a log-in and password to access. The **Benefits of the AKTOS Client Information System** include access to:

- a. A client list showing who has completed an intake interview
- b. Client specific psycho-social narratives based on client responses to AKTOS interview questions. These reports:
 - i. will produce an ASAM level of care recommendation (upcoming)
 - ii. will meet the DBHDID requirement for ASAM use (upcoming)
 - iii. meet CARF and JCAHO requirements for psycho-socials
 - iv. can be saved and edited as a word document
 - v. can be uploaded into your medical record or printed for your files
- c. Once everyone is using the log-in system, the old link will be closed AND counselor and site-specific information will be viewable as a mid-level report
